an open letter from**THE STAFF**

YOU WERE put on earth for a purpose! Are you beginning to understand that purpose?

The wisest men in the world don't know the purpose of life. But you can!

The knowledge of that great and wonderful purpose is made plain in the Ambassador College Correspondence Course. You are now up to Test Two in this course. But this is only the *beginning*. Dozens of important, astounding lessons are coming! You have only begun to study the full truth of your Bible.

Do you realize that only in this *last generation* has God *begun* to reveal the FULL Bible knowledge with which to educate the whole world during the soon-coming millennial age? And that you can have a part in it as a co-ruler with Jesus Christ? That's part of the very purpose for which you were born!

God opens to you a glorious future for all eternity! "They that be wise shall SHINE as the brightness of the firmament; and *they that turn many to righteousness*, as the STARS for ever and ever" (Dan. 12:3). Wouldn't you like to receive this great glory?

You're not able, you say? Listen! God says, "Not many mighty, not many noble, are called: But God hath chosen the . . . *weak* things of the world to confound the things which are mighty" (I Cor. 1:26-27). Here's YOUR chance! The *mighty men* of this world are now ASLEEP! But God has led you to this work for a purpose. He wants you — and most of you are the "weak" of this world — to take advantage of this stupendous opportunity!

Are you beginning to feel the real THRILL of knowing that, at long last, you can know *who* God truly is — what He wants of you — what His plans are, and what He has planned for YOU in the soon-coming future and for all eternity?

You should really THANK GOD for beginning to give you this understanding! David praised and thanked God often. Read of his gratitude to God in I Chronicles 29:9-14.

David was thankful for God's tremendous blessings. It is hard to imagine or comprehend his outpouring of gratitude and thanksgiving! It welled up from deep within his heart.

But what about you?

Hasn't God tremendously blessed you in recent months, bringing the precious TRUTH of His Word to your attention? Hasn't He opened

TEST NUMBER TWO

THIS examination is given to help you *better understand* your Bible and *evaluate* your progress. It is a **SIMPLE TEST** covering your studies in the last four lessons. It's a quick review to help you *remember* and put to *practical* use the vital knowledge you have learned.

Notice that *four choices* are given under each question. *Only one* is the **CORRECT** answer. The other three are *wrong*. (Generally speaking, the *incorrect* answers are **FALSE** ideas which are taught and believed about the subject.)

SELECT THE ONE RIGHT ANSWER FROM AMONG THESE FOUR CHOICES. Then *circle* the letter of the answer you believe to be correct. The correct answer to the first

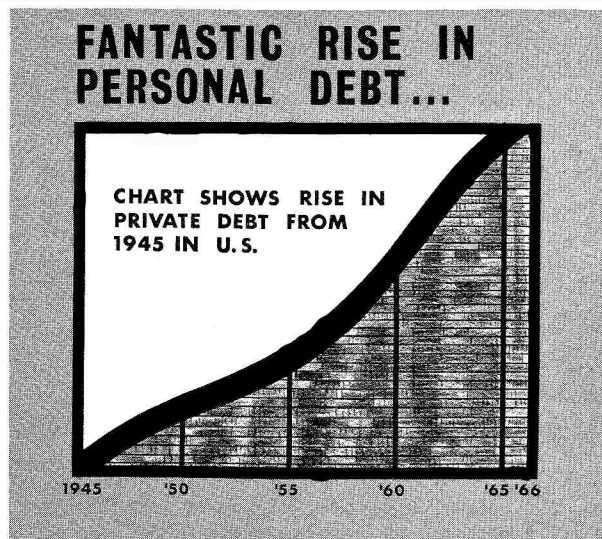

question is already circled for you as an example.

The questions are divided into four parts — each part corresponding to one of your last four lessons. Answer as many questions as you can without referring to the lessons. Take sufficient time to understand each question. If you find any difficult questions, do be sure to *refer to the lessons*.

Once you have finished going over the questions and are satisfied with your answers, check your circled selections with the correct answers listed at the bottom of page 16. Then count the number of questions you missed and find your grade in the grading section located on the same page. That's all there is to it. There's **NOTHING** to send back to us.

Now That You've Finished . . .

You are now ready to correct your own test. All you need to do is compare *your answers* with the correct answers listed at the bottom of page 16. After you have done this, simply count the number of questions you missed. Your grade will be next to that number in one of the columns of the grading section located on the same page.

REMEMBER. You are to grade *yourself*. There is absolutely NOTHING to send back to us.

Be sure to KEEP this test and review the questions occasionally. Why? Because reviewing will impress the true answers more firmly upon your mind. And reviewing the false answers will help you realize more clearly some of the *false* ideas which you may have taken for granted. You will thereby grasp and retain the *truth* more readily as it is revealed to you in the Bible through future lessons.

What our STUDENTS SAY

Wants To Be Re-enrolled!

"A few months ago I made a crazy, foolish, and grave mistake. That was informing you to cancel my Correspondence Course. Now I'm begging you to let me have it back. I feel like I have something missing, and I know what it is. So please send me my next lesson so I can continue."

— Man, Carencro, Louisiana

- Request granted!

Grateful That Course Is Free

"I would like to thank you for making the Correspondence Course a completely tuition-free course. One could almost expect it to be free if it was a cheap and rather ridiculously made Bible test. But it is the most interesting and thoughtfully constructed course I have ever seen. Since I started taking the Course, I have learned more than I ever could have learned without its help. Enclosed is my tithe. I am very grateful that the Correspondence Course is free, because if it had a price I am sure that I could not afford it."

— Man, Los Angeles, California

Not Man's Ideas

"Never, before I started studying under you, did I have the scriptures explained to me as clearly as you explain them. There always seemed to be a question unanswered, which gave me the feeling that it was just another person's idea, instead of being the actual truth. Having the privilege of studying the Bible under you and your staff is the greatest blessing I have received in my lifetime."

— Mrs. A.S., Lamesa, Texas

Minister Confesses

"I thought I knew the Bible pretty well, at least that is what many people told me. I was called 'the walking Bible.' I preached on street corners for over 20 years, and now I find out I don't know my Bible at all. Yes, I can quote whole chapters correctly. I know the books of the Bible forwards and backwards — the same with the Ten Commandments — but to say that I knew or understood the meanings of all these would be false. I am beginning to learn that I don't know them at all. Since I have begun

to study your Correspondence Course, I am beginning to see that where I belong is in the kindergarten class."

— Minister, Escondido, California

• *Hundreds of other ministers enrolled in our Course have faced this same stark realization!*

Bible Becomes Lucid!

"The Correspondence Course is fascinating, but I have one problem. When I look up a passage in the Bible, I often keep right on reading for several pages before I can tear myself away and get back to answering the question! The whole Bible is becoming so lucid I am amazed that it was once so hard to understand. When I finish a lesson, I am lost while I wait for the next one to arrive."

— Woman, Troy, Missouri

• *Why not review and dig deeper into past lessons in the meantime?*

Impressed by C.C. Student

"During a recent conversation at work, I was surprised to hear a man, who is one of your students, explain with such ease and efficiency, a lot of things which I could never really understand about the Bible. When I asked him how he ever came to possess such an understanding, he referred me to your Correspondence Course. I would also like very much to become one of your students. Therefore, I am asking

you to please send me your PLAIN TRUTH magazine and the Correspondence Course."

— Man, New York City

Interprets Itself

"What amazes me is that you ask the questions and tell us which scriptures to read and then the Bible itself explains it. I've heard you say many times on your radio broadcasts, 'Let the Bible interpret itself.' It really can and does, if people would only give it a chance. Thank you so much for letting me be a part of this wonderful Course."

— Mrs. P.L., Youngstown, Ohio

Clear and Exact

"Your Correspondence Course, where everything is so well-studied in advance, is very clear and exact. It helps straighten us out in the right way of life. I thank God daily for opening our eyes by His chosen servants."

— Student, Lyon, France

God Becomes REAL!

"I am not one for making flowery speeches, but I have to say that the Ambassador College Correspondence Course has changed my life completely. It made me realize that God is real! The truth about Bible knowledge that you pass on to others makes me feel that you are a modern-day apostle."

— N.H., Seattle, Washington

Here is a woman who will let *nothing* hinder her from her goal—the acquiring of the true knowledge of the Bible and the way to eternal life.

From Missouri this letter: "I received your Correspondence Course and I like it very much. It is the **BEST** I've ever seen. There is much more I could say about it, but words are so cheap. You will find a small offering to help a little, so that *someone else may benefit* by the reading of the truth."

Yes, thousands of others, like this enthusiastic person, have also volunteered to actively help in carrying out God's commission for this age.

One of our students in Louisiana writes: "Yes, I am noticing the increasingly common occurrence of drought, dust storms, floods, and earthquakes. I see the Bible *does* write tomorrow's newspaper headlines far in advance! I see that the *time is short for getting God's warning message to this sin-sick world*. And we must **WORK HARDER** and put our *whole hearts into God's Work more than ever!*"

Finally, from Arizona comes this enthusiastic student's letter: "I have received my first Correspondence Course Lesson, for which I am thankful. I have looked many years—*bought* many courses of study but with little satisfaction. The Ambassador College Correspondence Course is my **ANSWER**. *I thank God.*"

Finding the place where one can be taught God's true knowledge is like finding a **GOLD MINE!**

The people, whose letters we have just quoted, are *digging* at the mine of God's Word. They will **BE PREPARED!** Will *you?* Of course, **YOU MUST STUDY**. But it isn't difficult. You see, from their letters, how many others are progressing—so **CAN YOU!** And do you know that the majority of our Correspondence Course students score *high grades* on their tests? *It's that EASY!*

God—"the Sower"—has sown His "Word," a beginning knowledge of the Bible, in *your* mind (Mark 4:14). Budget your time and energy—**TAKE TIME** for *your Bible study every day*. *Redeem* the time. Don't let TV, the movies, or other worldly interests distract you from spending vital time with this intriguing course of study.

You have *already* put your "hand to the plow" to *attain the knowledge* of how you may enter the Kingdom of God! God warns, "No man, having put his hand to the plow, *and looking back*, is fit for the Kingdom of God" (Luke 9:62). **YOU CAN MISS OUT ON EVERYTHING!** The choice is yours—so, choose to **CONTINUE** your study with the Ambassador College Correspondence Course. Set your will. *Do not let ANYTHING stand in the way!*

Your next four lessons will reveal the astounding **PROOF** of God's *existence* and the *veracity* of His inspired Word. The amazing, *irrefutable facts* from the Bible itself, from secular history, archaeology and geology—and even the immutable laws of science—are laid out for you step by step, and in simple terms, so even a child can understand.
