an open letter from**THE EDITOR**

**H**ERE'S a sample of "clever" but faulty human reasoning! Where God or the Truth are concerned, it seems natural to reason suspiciously, and with a skeptical or hostile approach.

Would you be deceived by this type of reasoning?

Recently a man, who knew little or nothing about the Truth which the living God is proclaiming to the world through us, asked: "How can you know that *you* are any nearer right than anybody else? You say the whole world is deceived. You say the churches are wrong on many points of doctrine, but that you have the TRUTH. You say they are human, and have been deceived. It's human to err. But are *you* not also human? Are you not also fallible? How can you be sure you are any nearer right than any of the others?"

I want to give our students the clear, plain, understandable answer to that question! I want to EXPLAIN, so plainly you can really comprehend it, HOW and WHY we know we have the TRUTH! I want to make clear how YOU may know what is the TRUTH, while this whole world is deceived and in utter darkness. I want to tell you HOW *you may be SURE!*

First, are we not also human? Yes, indeed! We can make mistakes, too! We, too, could be in error on this, or that, or the other point. But *we do not need to be!*

A man may say: "Who does this Herbert W. Armstrong think he is? Is he any smarter than all these great theologians — these noted preachers and heads of great religious denominations?" The answer is NO — it is not a matter of intellectual capacity.

We are *all* human. We are *all* fallible. I have been wrong. I have made mistakes. The same is true of all those God is using in His WORK today.

That is the very first thing that we *do* recognize. That is the *starting point* in the search for Truth. That is one reason why we *do* have the Truth, in the midst of a very deceived world.

God says: "PROVE all things." That means *you* are fallible. That means all the "great" men are fallible! ALL are human. ALL can be *wrong* — and nearly all are. The *whole world* is DECEIVED (Rev. 12:9). That means its religious leaders and churches are deceived!

The very recognition of that fact is the

# TEST NUMBER SEVEN

**T**HIS examination is given to help you *better understand* your Bible and *evaluate* your progress. It is a **SIMPLE TEST** covering your studies in the last four lessons. It's a quick review to help you *remember* and put to *practical* USE the vital knowledge you have learned.

Notice that *four choices* are given under each question. *Only one* is the **CORRECT** answer. The other three are *wrong*. (Generally speaking, the *incorrect* answers are **FALSE** ideas which are taught and believed about the subject.)

**SELECT THE ONE RIGHT ANSWER FROM AMONG THESE FOUR CHOICES.** Then *circle* the letter of the answer you believe to be correct. The correct answer to the first

question is already circled for you as an example.

The questions are divided into four parts — each part corresponding to one of your last four lessons. Answer as many questions as you can without referring to the lessons. Take sufficient time to understand each question. If you find any difficult questions, do be sure to *refer to the lessons*.

Once you have finished going over the questions and are satisfied with your answers, check your circled selections with the correct answers listed at the bottom of page 16. Then count the number of questions you missed and find your grade in the grading section located on the same page. That's all there is to it. There's **NOTHING** to send back to us.

### WHY WATER BAPTISM?

Z. Kluger Photo

**1. Water Baptism is**

- A.** a form of initiation into a church.
- B.** not a step we must take before we can receive the Holy Spirit.
- C.** absolutely essential for our receiving the Holy Spirit.

**2. Which one of these four statements is *true*?**

**3. Which one of these four statements is *false*?**

- A.** Noah demonstrated his faith — his belief — in God's promise of salvation from the Flood by *obeying* His commands.
- B.** Because of Noah's faithful obedience, God saved him from the punishment of sinful mankind.
- C.** We must have the same kind of active, living faith Noah had in order to be saved from our sins.
- D.** The account of obedient Noah going through the waters of the Flood is not mentioned in the Bible as a *type* of New Testament water baptism.

4. Which one of these four statements is *true*?
- A. The Israelites' passing through the Red Sea typifies New Testament baptism.
  - B. The Egyptian Pharaoh who pursued Israel was repentant since he was totally immersed — baptized — in the Red Sea.
  - C. Pharaoh did not really drown in the Red Sea — he merely got stuck in a swamp.
  - D. The drowning of Pharaoh in the Red Sea does not *picture* our leaving sin behind in the waters of baptism.
5. Which one of these four statements is *true*?
- A. John administered the "baptism of the Holy Spirit."
  - B. John did not baptize repentant believers.
  - C. John's "baptism of repentance" had nothing to do with preparing a people to receive Christ.

  - B. Baptism was commanded only for the time of Christ and the apostles.
  - C. Christ commanded baptism for all mankind in His final gospel commission to His apostles.

12. Which one of these four statements is *true*?

  - B. After the old sinful Paul had been *figuratively* crucified — killed — with Christ in baptism, the spiritual mind of Christ began dwelling in his mind and helped him live in obedience to God.
  - C. We don't really need to have the spiritual mind of Christ dwell in us in order to live a *Christian* life.
  - D. Christ completely controlled Paul in every way by taking up residence within him — that is, Paul had no say whatever regarding his future actions.
13. Which one of these four statements is *false*?

- B.** Going down into the water of baptism pictures the death of Christ and the death of one's old sinful self.
- C.** Being buried in the water pictures Christ's burial and the burial of one's old sinful life.

- B.** To have been baptized "*into*" the God Family means that we have been born into it.
- C.** To have been baptized "*into*" the name of the God Family makes possible our receiving the Holy Spirit after baptism, thereby elevating us to the status of God's *begotten* sons, though not yet born into the God Family as God's spirit sons.
- D.** We only need to be baptized "in the name of Christ," and not also "*into*" the name of the God Family.
- 17.** To become a member of the "body" of Christ — the true Church of God —
- A.** you need only to be baptized.
- B.** you must shed a few tears, "accept" Christ, and shake the preacher's hand.

- 20.** Which one of these four statements is *false*?
- A.** Merely saying, "I accept Christ's shed blood and His death" is all you need do to receive the Holy Spirit.

## Lesson 26

# AVOID A COUNTERFEIT BAPTISM!

Wide World Photo

21. Which one of these four statements is *true*?
- Most churches today baptize their members by immersion.
  - The doctrines of "baptism" taught and practiced by this world's churches are all scriptural.
  - The Bible teaches only *one* baptism — all other "baptisms" are false ideas of men.
  - There isn't much confusion regarding baptism in the world today.
22. What does God demand of us before baptism?
- Nothing in particular.
  - A six months' trial period of living a spiritually obedient life.
  - A thorough understanding of all the spiritual truths taught in the Bible.
  - A *completely* surrendered and repentant attitude, and belief in Christ as Savior.
23. Which one of these four statements is *true*?
- Christ instructed His disciples to first teach repentant believers all the various commandments in the Bible, and *then* baptize them.
  - Jesus taught His disciples to preach the gospel, baptize repentant believers, and *then* teach them all things that God commands.
  - One should have a college education in Bible knowledge in order to know how to repent and be baptized.
  - One must be spiritually perfect before he is baptized.
24. How soon must repentant believers be baptized?

  - As soon as possible.
  - They must be baptized within 24 hours after repentance.
25. Which one of these four statements is *true*?

  - is not practiced by most of this world's churches.
  - was practiced by ancient Israel.
  - is done by God's true Church today.
27. Which one of the four statements is *true*?

  - A child is mature enough at age twelve to be able to truly repent and continue growing spiritually.

  - B. Most sincere “baptized” churchgoers of the world are truly converted and growing in spiritual grace and knowledge.
  - C. There have been millions of *false conversions* because most “baptized Christians” have never even been taught God’s definition of sin!
  - D. True conversion is not possible today.
30. The “no works” baptism exists today because

  - C. it is taught in the Bible.

34. Which one of these four statements is *true*?
- A. The “baptism with fire” is commanded for salvation.
  - B. Repentant believers should seek the “baptism with fire.”

  - B. The unrepentant are also compared to tares — weeds — which are to be consumed by fire.
  - C. Persistently unrepentant sinners are not compared to unfruitful trees which need to be burned.

  - B. Having someone baptized for them.
  - C. Going to heaven.
  - D. The resurrection to immortality — which hope they had when alive.
39. Who has authority from God to baptize people?
- A. Anyone who takes the authority to himself.
  - B. Only those servants who are sent by the true Church of God — the Church Christ established and gave authority to baptize.
  - C. No one really has such authority.
  - D. It is not made clear in the Scriptures.
40. Which one of these four statements is *true*?
- A. We should consider it is Christ who is baptizing us when it is done "in His name" and by one sent by His Church.
  - B. To insure an acceptable baptism in God's sight, it is necessary to be personally baptized by Mr. Herbert W. Armstrong.
  - C. Since all men are imperfect, we can't trust anyone to properly baptize us.
  - D. You should *not* be baptized again if you learn that your previous baptism was not valid in God's sight.
41. Which one of these four statements is *false*?
- A. It is vital to counsel with one of God's ministers about true repentance and baptism.
  - B. One who truly repents and realizes his need of baptism can write immediately

to Mr. Herbert W. Armstrong and request to be visited by one of God's ministers.

- C. If there is any doubt in your mind about the validity of your previous baptism, be sure to write Mr. Armstrong to arrange for a free personal conference with a minister of God's Church to discuss the matter.
- D. One who has *seen* the "argument" of the doctrine of baptism, but *hasn't* really repented, should be baptized *immediately*!

## Now That You've Finished . . .

You are now ready to correct your own test. All you need to do is compare *your answers* with the correct answers listed at the bottom of page 16. After you have done this, simply count the number of questions you missed. Your grade will be next to that number in one of the columns of the grading section located on the same page.

REMEMBER! You are to grade *yourself*. There is absolutely NOTHING to send back to us.

Be sure to KEEP this test and review the questions occasionally. Why? Because reviewing will impress the true answers more firmly upon your mind. And reviewing the false answers will help you realize more clearly some of the *false* ideas which you may have taken for granted. You will thereby grasp and retain the *truth* more readily as it is revealed to you in the Bible through future lessons.

*beginning* of right knowledge. We *do* recognize it — and that we ourselves could be wrong. That is the *first step* toward coming out of the fog of error and deception, starting toward Truth.

It is not a matter of who has the greater intellect. A man may have the highest I. Q. in the world, and in his intellectual VANITY refuse to admit he could be wrong — reject all correction — and thus embrace error and deception.

The second step, if you would know TRUTH, is to be *willing* to admit being deceived, or in error, and to reject it and accept Truth. Ask yourself: "Am I really *willing* to confess error — to admit I'm wrong — *when proved* — and reject it? Am I *willing* to accept truth new to me — *when proved* — even though unpopular — even though it cuts me off from my family, friends, associates, club or church members — even though everything in my selfish and vain nature rebels against it? Am I willing to *act on it* — OBEY the Truth — no matter what the cost?"

Ah, yes! Perhaps *now* you are beginning to see why "all these great theologians — these noted preachers — these heads of great religious denominations" could be in error. Did you ever know a person of great intellectual powers who did not have the kind of VANITY that shrinks

from confessing he has been WRONG — and has misled others? To find and live the TRUTH requires a HUMBLed mind.

These are the first TWO points in which one who has come to the TRUTH differs from those still steeped in deception and error.

Can we be SURE that we have the TRUTH, when we, too, as the critic argued, are fallible, with minds that are not perfect? Yes, *you can be SURE!*

The greatest, ablest intellect in the world is still HUMAN — still fallible — still imperfect. Those who are deceived and steeped in error have simply not stopped to realize their own imperfections — their proneness to error. They assume, in their egotism, that whatever they believe is TRUE. And they are UNWILLING to humble themselves and confess their wrongs.

I can tell you how *I* started, over forty years ago, out of the darkness and into the light. And it is the basically sound and SURE way for you, or any other, to start.

First, I had to know whether there is a real BASIS for Truth. Is there an INFALLIBLE AUTHORITY? In other words, does GOD exist? Is the all-wise — all-knowing — all-perfect God a *reality*? And if so, has He communicated basic TRUTH to mankind?

A world-famous Protestant leader writes (or has written for him and in his name) a syndicated newspaper column. It gives HIS answers to Bible questions. I wonder if you have noticed a question and answer column in *The PLAIN TRUTH*? Have you noticed that we completely

reverse the caption? We do not give OUR answers to Bible questions—we give you the BIBLE answers to your questions!

A question recently published in this syndicated newspaper column asked whether the Bible gives any PROOF of the existence of God. The *man's* answer may be summed up in one word: NO. He answered that we must *assume* God's existence—and then have FAITH. That is, have faith in this human assumption!

But the Bible commands: "PROVE ALL THINGS." That includes the existence of God! The Bible says the scoffers "are without excuse," because the PROOF of God's reality is clearly seen, even in nature. God Himself, in the Bible, offers the PROOF of fulfilled prophecies. He offers, though few experience this proof, the PROOF of answered prayer.

I found irrefutable PROOF of God's existence in the *facts* of science, the FACTS of matter, in reason, and in the Bible. And second, I sought PROOF of whether or not the Bible is the authoritative REVELATION from God to mankind—and I found it positively PROVED by many irrefutable proofs.

So I had a firm BASIS for faith. I had an infallible AUTHORITY!

Still, this was not alone sufficient. I had the SOURCE of Truth. But, up to that time, I had never been able to UNDERSTAND the Bible. Neither do most scientists, educators, or theologians understand it. A great mind and a superior intellect, alone, is incapable of UNDERSTANDING this spiritual revelation from Almighty God!

This is explained in the second chapter of I Corinthians. These Truths of God are a MYSTERY—a hidden SECRET—which none of the leaders, rulers, or great men of the world know (I Cor. 2:7-8). But God has *revealed* these spiritual Truths to converted Spirit-begotten Christians by His Spirit (verse 10). For (verse 11), what man can know the things of a man—that is, physical and material knowledge—but the *spirit* of man, which is *in* him?

Can you understand that? Pure physical BRAIN, composed of matter, cannot comprehend the things of this material universe known by scholars, scientists, educators. The dumb animals have physical BRAIN. But they do not comprehend HUMAN knowledge—the physical knowledge known to human MINDS.

But, as Job wrote (32:8), there is a spirit *IN* man. This spirit is not the MAN—man is DUST or matter (Gen. 3:19)—NOT spirit. But this human spirit, united with physical BRAIN, forms human MIND. Yet this human MIND is carnal. It can know the things of a MAN—that is, mortal or PHYSICAL things.

What man, then, could *know* or possess this material KNOWLEDGE, except by the *spirit* of MAN that is *IN* the man—united to and functioning with material BRAIN? The addition of this HUMAN spirit turns animal brain into human MIND.

Now go further, in the same verse (I Cor. 2:11): "even so, the things of God knoweth no man, BUT THE SPIRIT OF GOD." It is only by the receiving of God's HOLY SPIRIT, to unite with the human mind, that a man may comprehend SPIRITUAL KNOWLEDGE. Only by the receiving and indwelling of the Holy Spirit are the real TRUTHS of the BIBLE comprehended by the human mind.

The great MINDS of this world cannot comprehend Biblical and spiritual TRUTHS without God's Holy Spirit, any more than a dog, horse, ape, or elephant can comprehend physical, scientific knowledge without the spirit that is *in* MAN—and is NOT in the dumb brutes!

That is precisely WHY, over forty years ago, I could not understand the Bible. That is why nearly all of the truly GREAT minds of world leaders cannot understand this TRUTH! It is not a matter of degree of intellect.

So, in order to really *perceive* the deceptions that have BLINDED this world, once we have *recognized* our own fallibility and proneness to error—once we have become WILLING to admit it when proved wrong, and to accept TRUTH—the next step is to receive God's gift of His Holy Spirit. And the CONDITIONS to this are: 1) REPENTANCE; and 2) FAITH in Christ as personal Savior.

Repentance is toward GOD. Sin is against GOD. We may harm or injure people—but we SIN against GOD. Sin is the transgression of God's LAW. Sin is rebellion against God. It has cut us off from God. To repent means to be so HUMBLed, so broken up about the *colossal* crime of rebelling against the HOLY GOD—so abhorrent of our own rebellious, deceitful, vain, selfish SELVES—that in real contrition we turn to God for mercy and CHANGE of mind and attitude, now desiring to CHANGE OUR WAYS—to be obedient to GOD's LAW.

Very few know what repentance really is. Then, through FAITH in Christ as Savior, we may be reconciled to God, and His PROMISE is that we shall then receive HIS HOLY SPIRIT.

The SELF has to die! It means unconditional surrender to God and HIS REVEALED WAY! I know that with me it was a painful process. The SELF does not want to give up in surrender. I knew it meant ridicule and persecution from relatives, friends, former business associates. It meant a CHANGED LIFE. It meant a start toward a NEW AND DIFFERENT GOAL.

But God had humbled me. He brought me to

repentance and faith. And He opened my mind to His TRUTH by the gift of His Holy Spirit.

But I had to be willing, continuously, to confess being wrong, and to embrace truths constantly NEW to me.

That process has been going on, now, for over forty years. As I studied a portion of the Bible, I could now understand it. But I had to *walk in the "light"* as God opened my mind to see. Regardless of the cost in the esteem of men, or in countering opposition and persecution, I had constantly to BE WILLING to follow GOD and not man.

It is a matter of WILLINGNESS — not of superior and lofty minds. It is a matter of being LED by GOD'S SPIRIT into *His* ways that are so CONTRARY to this world's established customs, not of personal human powers.

WHAT CHURCH do you know that has ever publicly confessed that its teaching and practice has been WRONG, and has CORRECTED IT, to conform to the Bible? What great, lauded, and mighty churchman or religious leader has ever made such a public confession, turned from his non-Biblical ways, and, despite persecution and ridicule, PROCLAIMED THE TRUTH?

These lauded, lofty "greats" of this world *could* become undeceived and have their eyes opened to God's Truth — *IF THEY WOULD BE HUMBLLED, REPENT, AND SURRENDER UNCONDITIONALLY TO ALMIGHTY GOD AND HIS LAW!*

But if you would know what God says of these "great and eminent" religious leaders of the great denominations, read God's PROPHECIES describing these very leaders of OUR OWN 20TH CENTURY, in Jeremiah 23; Ezekiel 34; Ezekiel 22, especially verses 21-31, referring to British Commonwealth and United States peoples and their religious leaders NOW, at the time leading directly to "God's WRATH"—the time of the last PLAGUES, just prior to, and at, the second coming of Christ!

Yes, we CAN KNOW, if willing to know, whether we are right or wrong. It is not a matter of superior intellect, but of SUBMISSION TO GOD.

But the conclusion of the whole question is this: I did not start this work of my own accord at all. It is the very last thing I would have wanted, in my days of carnality, to do. It is GOD'S DOING!

By circumstances, God forced me to submission. The living CHRIST so manipulated events and the force of circumstance that He literally PLUNGED me into His Work. It is not my work — it is THE VERY WORK OF GOD.

And *THIS* can be easily proved, to those willing to know the TRUTH!

## What our STUDENTS SAY

### Lesson 26

"Today, I completed Lesson 26 of the Correspondence Course. After Looking back over it and meditating on it, the thought came to my mind that I just could not imagine what intensive study, research, time, effort and prayer, and not forgetting expense, went to prepare this lesson — and all the others — and put it in my hands — and without cost to me. Sir, I just decided to write this note to say that I do appreciate very much what you have done for me through these lessons."

— Samuel P., Harcourt, Newfoundland

### Lessons 27-28

"This Sabbath we were not able to attend services, but we did have Lesson 28 to work on. Studying about the Sabbath on the Sabbath has been a meaningful experience. The truth of God's Sabbath is now so clear it amazes me that all cannot see it. Of course, I realize that Satan has given this present evil age his counterfeit Sunday, but even so it is amazing the world observes a day the Bible does not command. I thank God for the Sabbath for over a year, but only now do I grasp the full significance of this most wonderful day. The smartest thing I ever did was ask for this course. I have received more help from these lessons than you could ever know. Thank you — sincerely and completely — for sending us these lessons."

— Mr. & Mrs. John G., Little River, Texas

- *A good way to spend part of every Sabbath.*

"I have completed Lesson 28 and Test 7 of the Correspondence Course. If there are any more lessons, please continue to send them to me, as I want to complete *every* lesson you have to offer. The Course has been a wonderful experience to me in understanding and loving to read my Bible."

— Student, Oversburg, Tennessee

"It gives me great pleasure to write to you and let you know how much I enjoy being enrolled in the Correspondence Course. I have just completed Test 7. I can hardly wait for Lesson 29 to come so I can study the Bible more and draw our family closer together. My wife is far ahead, but I must keep plugging along with

the help of God, constant prayer and the Bible. I know that I will learn to be a better husband and father.”

— C.L.D., Corunna, Indiana

- *Studying the Bible together helps to build a happy family.*

### Wouldn't Trade the Truth

“I agreed with many things you said according to what knowledge and understanding I did have, even though I didn't hear it preached in the churches in my county in Eastern Kentucky. I was called an idiot, or unbeliever because I would not attend nor send my children to the... church there. Later I began the Correspondence Course. Now I have completed Lesson 35. And really, I never heard the contents of these lessons from 27 to 35 preached or even mentioned in church. In fact, I didn't hear but very little Bible taught and it twisted to suit the world. But now through the Ambassador College Correspondence Course I am learning, or beginning to realize, just how little “we” the majority do know about the real truth. I would not trade the knowledge and understanding I have gained through Ambassador College for the city of Los Angeles and be left in the dark again. That is how much it is worth to me. I can never thank you enough for making this possible.”

— Harly W., Wilmington, California

- *It takes faith to obey God, and He promises to bless those who diligently serve Him.*

### Insomnia

“Since I have started studying your course, I have been hardly able to put it down. I am so enthralled by it and the Bible that I find the sun coming into my window in the morning hours. I am a terrible victim of insomnia, so it

doesn't matter whether I sleep or not. That way I can spend more time with Jesus Christ and God. My life is now at last having some meaning. This is what I have been searching for all my life and never really knew it. To you people and your wonderful organization, Christ and God, I give my eternal thanks and prayers.”

— Charles W., Newark, Ohio

### Passing Tests, But Failing Course

“This is to state I have not stopped studying the Correspondence Course. As a matter of fact I have started! I found I was passing the tests, but failing the course. Of the last four lessons, 21 and 23 are the only ones I have really studied. I am sure I could take Test 6 and get a passing grade. I am also sure I have missed out on a lot of very important information in the lessons I did not study. So starting today I start studying. I thank God I saw my mistake in time to do something about it. When I catch up on my studying I will take the test.”

— Mrs. Geraldine M., Detroit, Michigan

- *A good example for other students who may be in the same boat Mrs. M. was in.*

### Simple, But Powerful

“The lessons are so tremendous, so thrilling, so truly enthralling, I go slowly to absorb them, to master the new thoughts they disclose and to enjoy them. The truths presented are so simple, yet so powerful, and so expertly presented, I am constantly amazed at the lack of knowledge and understanding that the world in general has to offer, and so grateful for this wonderful opportunity to learn through the Ambassador Correspondence Course. I hope it lasts, and lasts, and lasts!”

— Mrs. C. F., Coldwater, Michigan
